

IDAHO VOTERS, *Know the Truth.*

THE IDAHO REPRODUCTIVE FREEDOM & PRIVACY ACT
WILL APPEAR ON THE **NOVEMBER 2026 BALLOT.**

Voters will decide whether to keep Idaho's current protections for women, parents, and unborn children – or replace them with one of the most extreme expansions of abortion Idaho has ever considered.

1

REMOVES GESTATION LIMITS

Lets women choose abortion at any stage of pregnancy – **all 9 months.**

2

ELIMINATES IMPORTANT PROTECTIONS

Removes Idaho's physician-only requirement and parental consent protections for minors.

3

CHANGES IDAHO'S CONSTITUTION

This extreme amendment would permanently change our laws and impact women, families, and unborn children for generations.

The Idaho Coalition for Life is a coalition of Idaho's Pregnancy Medical Clinics and Pregnancy Resource Centers.
